Zach Rice Raises \$15,000 in Less Than Two Weeks

HENDRICKS COUNTY, IN – Zach Rice’s message for a common sense, people focused, and innovative leadership approach in the Indiana General Assembly raises \$15,000 in less than two weeks.

“This is a clear indication that residents of District 40 feel that the system is broken,” said Mr. Rice. “I am overwhelmed by the enthusiasm and financial support to retaliate against big government and high taxes.”

Zach Rice is a life-long Hendricks County resident. He is a graduate of Brownsburg High School, and has spent his adult life working to make Hendricks County a better place to live. The support Mr. Rice has received from local business and community leaders is a testimony to his efforts.

“Residents are tired of false promises and half truths while their concerns are placed behind other political agendas,” explained Mr. Rice. “The financial contributions we have received strongly suggest that the people of District 40 want their voices to be heard and their input to be a guide for their next representative – I am running in the May 6 Republican Primary to provide that for them.”
